

HB 1236 -- THIRD-PARTY CANDIDATES

This bill changes the laws regarding the Fair Ballot Access Act by repealing the provision which requires a petition for the formation of a new political party to contain, if presidential electors are to be nominated by petition, the name of at least one qualified resident of each Congressional district to serve as a nominee for presidential elector and requiring the information to be submitted at the time a person from the new party files a declaration of candidacy for a public office.
